

Bradford & District Badminton League

(Formed 11th September 1925)

Spring League Meeting

The Winter minutes were proposed by Nigel Phillips & Seconded by Paul Staincliffe

The proposed new "Ladies Format" was discussed in detail.

Concerns raised by Allerton BC as they have 7 ladies in club, flexibility was suggested so that they could use a player from 1st 4 ladies so that they could run two teams.

Ranking of ladies was also suggested that just 1st division teams.

Several clubs said they would enter extra teams.

Ashley pointed out that if we did not move to a new structure the ladies would have to go to 2 divisions and teams would be in 1st division who did not want to be there – ultimately leading to more ladies leaving the league.

In principle most clubs are in favour and a vote would be taken at AGM

Rule 19/20 – This rule is running where defaults occur for incomplete score sheets, submission of score sheets and not informing League Match Secretary of rearrangements – some players still seem unaware

Peter Brook Memorial Trophy will now be for most improved girl. Everyone was in favour

Higson Tment was rolled over to when Idrees Afzal was available

Website update – After running for a year, Sharon & Ashley have a greater understanding of its functionality. It has been decided to add a Match Report to the match result area. If possible split per gender.

Score Sheet Completion – this started well but is now getting poorer – with sheets coming in without names – please tell your members how important this is.

Presentation date – 24th May 2013

Can everyone get the outstanding trophies to Matthew or Ashley asap.

Meeting Closed
